

Delivery Routes and empty box/milk crate pick-up schedule January to June 2024

*Subject to Change

The following tables describe the delivery routes effective immediately. Please note the following:

- The schools are listed in order of delivery, so you can use that to approximate your delivery time, however, please allow for traffic, weather, and other unpredictable delays.
- At all schools, the food will be delivered to the main entrance (unless another arrangement has been made).
- In most cases, we will pick up the empty boxes and milk crates from the week prior on the day we deliver the food. Please have boxes outside and ready early on those days.
- In some cases, we will be picking up the boxes on an alternate day, due to space limitations in our delivery vehicles on delivery days. If this applies to you, *please have your boxes outside, in a space protected by the elements if possible, no later than 11:00am*

If you have any questions, please contact us at your convenience by phone at 613-530-3514 or email at info@foodsharingproject.org
